

### **7.1.1 ACTION PLAN**

For the safety, convenience and assistance of girl students in the college, a definite action plan is determined, such as:

- ✓ Availability of basic facilities.
- ✓ Clean, beautiful environment friendly premises.
- ✓ Airy and lighted common room.
- ✓ Reading cum staff room.
- ✓ Clean toilets.
- ✓ Pure drinking water.
- ✓ Ensure provision of internet facility etc.

Regular sports activities by the Sports Department of the College are organized and efforts are made to create health awareness through yoga and meditation camps.

**Awareness program:** To make the girl students aware of the right of equality in the society, various activities are organized for this.

Self Defense Measures to motivate the girl students through various lectures, training and activities are provided so that in case of emergency they should face the crisis courageously and make self-defense efforts, even in the absence of any support. Establishment of moral values should be done continuously in the present society.

In view of the moral and cultural devaluation, the organization tries to establish human values as much as possible through its various activities. Efforts have been made to store such subject material by establishing Adhyatmik Library and Cultural Cell in the college for this purpose, which will be successful in connecting the students with spirituality, moral values and cultural heritage.

**Environmental awareness:** Through the Career Guidance Cell, NSS unit and Sports department, the students are made aware about the environmental issues in the society. Various camps, events are organized in the college to teach them about the environment, plantation, cleanliness, water conservation, plastic free premises etc.

**Safety and Security:** The college premises are safe in all aspects as it is free from any kind of movement from the outsiders. Through Grievance Redressal Cell, utmost attention is taken to create a safe and secure atmosphere for the students. Also, a Women Internal Complaint Committee is formed in the college as per the guidelines of government. These committees address the issues and problems of the students and monthly meetings are organized with them.

**Counselling:** Regular Counselling for different purposed are organized in the college such as:

1. Career guidance cell organizes various counselling programs for career related opportunities.
2. Psychology department guides the students for various stress related problems caused either by exam related or external conditions.
3. Admission related counselling is provided to the students where they are guided to understand the various courses offered in the college, exam related processes and academic related activities.
4. Special counselling is provided to new students regarding the rules, regulations and facilities provided in the college.

**Common room:** A clean, safe and well equipped common room is provided for the students to spend their spare time in college. This room is provided with adequate furniture and reading materials for their ease.
