### IQAC MEETING

The general meeting of IQAC was organized today on 22<sup>nd</sup> August 2017 in the principal's chamber. Dr. Swati Chandorkar raised concerns on the ongoing progress of the work of NAAC. Dr. Prakash Dongre again mentioned the importance of NAAC to the members on priority basis. Everyone decided to prepare a work plan for the progress of NAAC.

The concern about the infrastructure development discussed in the previous meeting was again raised by Mrs. Sandhya Deo. Mr. Varun Choudhary and Mr. Mansata also questioned the safety of the students due to the incomplete work in boundary walls. Principal said the work was in progress but lack of funds delayed the project.

Discussions were also held on the conditions of the girl's hostel. The facilities provided for the students in the hostel were very poor. The hostel building is ragged and unsafe for use. Lack of proper boundary wall causes the unsocial activities in college and hostel premises. Lack of fund was the main issue for this problem. Keeping in view the possibility of NAAC evaluation in near future, works of beautification of campus, road construction and maintenance of garden was raised by Dr. Yatindra Mahobe.

Mr. Jagdish Mansata asked for conduction of basic computer training for all the office staffs which was approved by all. In continuation, NSS incharge proposed a one day lecture series on "Severe conditions on the Climate change" on 16<sup>th</sup> November 2017. The proposal was approved by the principal.

The meeting ended with vote of thanks by Dr. Swati Chandorkar.

The general meeting of IQAC was organized today on 15<sup>th</sup> February 2018 in the principal's chamber. Evaluation of NAAC was the main objective of this meeting. The principal congratulated all for successfully organizing the lecture series on environment. The subject experts in this lecture series were Dr. Prakash Dongre (Retd. Professor, Hindi), Dr. ALok Tiwari (Associate Professor, Botany) and R.K. Bhatt (Retd. Professor, Botany). The program was conducted by the NSS unit of the college on 16.11.2017.

The Principal also raised concerns about the vacant posts of the faculty of the college. This was also one of the reasons for the delay in NAAC evaluation. Dr. Swati Chandorkar proposed few changes in the work programme related to NAAC. She complained about the absence of important data and documents required for NAAC evaluation. Mrs. Krishna Sharma requested for opening new stream and subjects in the college to increase the number of students. Brief discussion was also carried out on the status of the hostel's boundary wall.
